America 250 NC: County Flag Challenge Essay

#11

Directions: Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

I drew the mountain because we have table rock mountain and a lot of nature I drew the water because we have lake and rivers in the county which also goes with nature I drew two birds at the bottom because that the baby owls and that represent that this county wise I drew the red because it represents blood and backbone I drew the sun and moon because it represents how so much has changed I drew the stars because it represents how many towns are in this county

First Name: Kynnedi

School: Drexel
