# America 250 NC: County Flag Challenge Essay

**Directions:** Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

AS someone who has lived in craven county their whole life I thought this was perfect. I used red, white, and blue because those are the USA colors and craven county is in the USA. In the first block you will see marine corps air that represents the US marine corps. Then you will see a tree. I put that there because there are a lot of trees in craven county.

After that you will see the eagle. The eagle is for the strength, community, and all of the cool schools inside of craven county. Lastly you will see the pepsi logo. The pepsi logo is for new bern because new bern is in craven county. pepsi was originally made in new bern.

On the marine corps air block I wrote may 22, 1912. I wrote that because that is when marine corps air was made. On the eagle block I wrote

1782. That is when the eagle  
first a symbol for the USA.

Then on the Pepsi block I wrote  
Caleb Bradham on it. I wrote that  
there because he is the founder of  
pepsi.

I love living in Craven county  
because most of it is by the  
water. Since its by the water  
my family can go to the beach  
often. There is cool history like  
the Tryon palace and pepsi. Since  
it is close to the ocean you  
can go on a boat kayak, paddle  
boarding, and swim.

This flag represents all of the  
greatness in Craven county.
