

# Design Your Own Flag!

**Directions:** The state flag symbolizes what is valuable to North Carolinians. It includes a star, the letters “N” and “C,” and two dates. What makes your family, town, city, state, or club special? How would you show it on a flag? Use the space below to draw your own flag. Think about including local wildlife, foods, colors, plants and flowers, landmarks, important dates, or even drawings of people!

**Answer the following questions on another sheet of paper.**

1. Who does your flag represent?
2. What colors did you add? Why?
3. Did you use any symbols? What do they mean?
4. Did you include any cultural food, plants, or animals?
5. What landmarks or places are on your flag?
6. Did you include any dates? Why did you include them?
7. How does your flag show what is meaningful to the group it represents?
