

America 250 NC: Design a Wax Seal!

Did you know: Wax seals have a long history in both North Carolina, and the United States as a whole. They provided security to ensure written letters remain unopened, a personalization in design, and a way to verify the identity of the sender, much like a signature!

Instructions: Draw your own wax seal design below, making it special for yourself! Think of your favorite colors and interests. Then, use the provided wax and stamp to put an America 250 NC seal on your paper.
