America 250 NC: County Flag Challenge Essay

Directions: Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

I am Evangeline and I go to Summit School. My flag should be chosen because every thing represents some thing like the flowers, peace signs, hearts, and stars which represent how we are all free. Being free is loving and amazing. All of it makes me really happy.

The camel represents Camel City. My dad coaches every one at the Camel City Crushe and we live in Camel City. Camel City is where my school and friends are. The Camel was done by my dad and me, which reminds me of how big Camel city is.

The Earth and people represent how all of us in W.S. N.C. are all equal in every way. W.S. came together with Winston and Salem for a reason, we are equals.
