America 250 NC: County Flag Challenge Essay

Directions: Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

I divided my flag up like a basketball because it's very popular here in Guilford County. Each section of the basketball represents people, places, and events important to Guilford County. The important people I included was the Greensboro four and Charlotte Hawkins Brown. I also included HPU, UNG and North Carolina A and T because they are well known universities in Guilford County. Important events in my flag are the battle at the Guilford Courthouse, the Palmer Memorial Institute, and the ACC tournament. Guilford County is known for the Arts and the furniture industries so I have included symbols for those on my flag as well.
