This is why my flag represents Iredell: first colors, I chose the color Orange because it stands for Joy. I chose the color Green because it stands for nature and freshness. I chose light blue because it stands for calmness and openness. I also chose aqua-Teal because it stands for soothing and healing.

Next pictures, I drew a race car because North Carolina is famous for racing especially in Iredell. On the race car I drew the county Iredell. I also drew the number 10 on the car because Iredell was North Carolina's tenth congressional district.

That is why my flag represents Iredell county.
