

Perquimans

America 250 NC: County Flag Challenge Essay

Directions: Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. Include your name and school on your submission!

The Perquimans River runs through Perquimans County. To help citizens travel throughout the county, there is an S shaped swing bridge. Before the bridge was rebuilt, there was a famous turtle log located near the S bridge. On a sunny day, you could spot many turtles sunbathing on the log. Once the bridge was rebuilt in 2022, the turtle log was no longer able to be seen when crossing over the bridge. The famous turtle log is a part of the county's history as it is a mascot for Perquimans Central School and painted on the side sidewalks throughout the downtown area. This reminds citizens to slow down and enjoy the little things in life.
