I learned in 1785 our country was established. Rockingham county has several important historic and natural places. I love Rockingham county because it is so pretty in Rockingham. It is so calm in Rockingham. The sunset is beautiful! I love the Dan river. I love going to the mountains in North Carolina. I drew the Roanoke log perch it is a symbol of local conservation efforts in the area. I wrote encouraging lines to show people to think before you do something, and to never give up! Always make sure you be yourself. Be respectful/kind to others it is always best to do.
