Today, I designed a Stanly County flag. In my flag I included oranges yellows blues, greens, and grays. I added the blues, oranges, and yellows to capture a sunset to add to the more contry vibes. I added the greens and grays to add hills/mountains. For a lake I used blues and, some orange from the sun reflecting onto the lake.

My flag shows the contry side of our Stanly County wich is beautiful and very meaningful to the people of our county.
