# America 250 NC: County Flag Challenge Essay

**Directions:** Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

It is USA's 250<sup>th</sup> birthday, and I made a flag representing Stanly County. I had two deer, butterflies and ladybugs, I had a lake and dogwood flowers, which is the state flower.

The deer represents all the deer in my neighborhood. The lake is Lake Tillary, which is the lake I live on, and love to swim in. The butterflies and ladybugs are insects that I see a lot in Stanly County. The mountains represent Morrow Mountain. I go there every summer and fall.  
Happy Birthday USA!
