County

# America 250 NC: County Flag Challenge Essay

**Directions:** Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

I love Union County cause there are many special things to see. I drew the crops to show what is grown in Union. Agriculture is important and makes up nearly half of our economy. We wouldn't be even alive because agriculture gives us our food. I drew a star because the NC flag has a star and Union County is the star of North Carolina.

I used red and blue because the North Carolina flag has red and blue. I like Union because of the Farmers Market. I can support local farmers and get good food, soap, and pottery. That's a good deal!

First Name: Matthew

School: Union Elementary
