America 250 NC: County Flag Challenge Essay

Directions: Write a short essay (2-3 paragraphs) explaining why your flag represents your county. Include why you chose certain colors, images, symbols, or words. Make sure to write your answers in short paragraph form. **Include your name and school on your submission!**

Washington County was established in 1799. It is located in the Coastal Plain region of North Carolina. I picked green and blue for my flag. The black bear is for the Black Bear Festival in Plymouth and because there are a lot of bears in Washington County. I picked green and blue on my flag. I used the color blue because we live by water. I used the color green because we have a lot of plants growing here.
